June 11th - 12th, 2022 · Capitola by the Sea
Saturday 9am - 5pm · Sunday 9am - 3pm

This is a
RAIN or SHINE
event presented by:

... celebrating 17 years of Public Safety and Community Service.

Dear Car Show Registrant,

This letter is your entry confirmation for the Capitola Rod and Custom Classic Car Show. Yay! We look forward to welcoming you to the car show this coming June. Are you getting excited? We are!

A dash card that is personalized for you will be mailed to your home some time Mid-May.

The dash card *must* be displayed for entry into the cruise and show.

A suction cup to attach the card to your windshield will be given to you when you check in.

This PDF contains all the various helpful forms you might need. Remember to print out any forms that you want to have hard copy of, as they will not be included with the dash card that we will mail you. This saves paper!

Please locate the JUDGING SHEET on page 4 of this letter for your review. If you want your automobile to be considered for an award, you *must* declare a *single* category to be judged in. When you receive your dash card, you will note a box in the lower left of it - please write in the number that corresponds with the category of your choice.

PLEASE DO THIS BEFORE ARRIVING AT THE VENUE WITHOUT A WRITING TOOL :)

Here's how the weekend goes:

Cruisers will meet at Santa Cruz Beach Boardwalk (400 Beach St. Santa Cruz) at 7 am. Rod & Custom Classic Car Show Cruisers will be escorted to the entrance at Capitola Avenue and directed by our Parking Crew to their parking spot.

Registrants not participating in the cruise are to park in Beach and Village Parking 2 behind the police station. While you are waiting you do not need to pay for parking; just have your dash card handy to identify yourself & your vehicle. You will be escorted to the venue by our Parking Crew. There is more information about this in the parking instructions/map on page 3 of this letter.

Please be respectful of your place in line and of our Parking Crew :)

Events on Saturday June 11th:

- 8:30 am - Cruise
- 9am - open of show
- 12 noon - raffle

Sunday, June 12th - Vehicle entrance into the village is closed to the public at 7:00 AM on Sunday. Service vehicles and staff wishing to enter the village should use the Esplanade entrance. Car Show parking on Sunday is on a First Come, First Serve Basis, *except* for those Gold Level participants that have assigned spaces. Please remember to have your dash card! Without it entry into the venue will be a bother for both you and the Parking Crew to sort out. Our Parking Crew will guide you to park along the Esplanade, San Jose Avenue, and Monterey Avenue before parking on Capitola Avenue or on Monterey above Capitola Avenue.

Show entrance closes at 9 am. Event staff directs entry after that time.

Day-of registration:

We will be registering waitlisted/new entries the day of the event on a space-available basis starting after parking all registered cars. Late registrants should request entrance at the Esplanade Entrance barricade once they have paid their admission and received a dash card from registration.

Events on Sunday:

- 9am - open of show
- 12 noon - raffle
- 1pm - presentation of awards
- 3pm - close of show

IMPORTANT:

- The Capitola Rod & Custom Classic Car Show is an alcohol free event. Neither the special event permit nor our insurance allows for alcoholic consumption at the venue with the exception of alcohol served in the Paradise Point VIP and in the restaurants and bars in the Village. The Capitola Police Department will be issuing citations for alcohol violations throughout the weekend.

- Due to safety issues that have arisen during past car shows, we ask that vehicles remain parked until the end of the event each day. We apologize for any inconvenience. In the event of an emergency on the day(s) of the event, please contact an officer at the Police Officer's Association booth, located on the Esplanade near the Six Sisters (refer to the trifold map which will be in your Goodie Bag).
